

K-Love has become a very important part of our family's everyday activities. Everyone from my husband, myself, and my three children are very dependent on this radio station. It is a very positive, uplifting listening experience that we would all hate to give up. I believe that there are many people in our area that feel the same way as I. K-Love is a very popular radio station in our area and it is especially important for families to have a good clean station that is appropriate for everyone to listen to without having to screen what is being said or played. I would truly beg you to not consider pulling this station from our area as it would be a huge loss for many people. In this day and time, it is so important that stations like K-Love stay on the air. I appreciate your listening to my concerns and comments.
